Dear Parent,

The Child Care Resource and Referral Program is a support and referral service for families and child care providers. The names of the child care providers and/or families are provided to families by request and are in no way a recommendation of the service provided by the particular care provider. The parent(s) has the responsibility for ensuring that the child care arrangement ultimately chosen is suitable for the family's needs.

The publication, Parent's Guide to selection Care (available at <http://www.mcf.gov.bc.ca/childcare/parents.htm>), may help you choose suitable child care for your family.

Terms of Use

Use of the services of the Child Care Resource and Referral Program is voluntary. If a family chooses to use any of the services, the family expressly agrees:

- to assume any and all risks involved in the selection of the child care arrangement,
- that the Child Care Resource and Referral Program staff and the Board Of Directors are not responsible for the choice of child care, and
- that staff and the Board of Directors of the Child Care Resource and Referral Program are excluded from any and all liability for negligence arising in connection with the referral services provided, and/or the actions of any childcare provider selected by the parent.

Thank you for your call. Should you have any further enquiries or need any further referrals, please call our office.

Sincerely,  
Consultant
